ELLE

Emmett, I'm sorry—

EMMETT

—I don't need you to be sorry. I need you to tell me the alibi.

ELLE

I can't because I gave Brooke my word. Having an alibi isn't the only way to win this case.

EMMETT

No, but it sure would help.

ELLE

We'll free Brooke the right way. The noble way.

EMMETT

This isn't a Lifetime Original Movie, Elle. I'm not interested in nobility right now, I'm more interested in saving Brooke's life.

ELLE

No you're not. You're more interested in impressing Callahan.

EMMETT

Well, he is my boss. And if I impress him he'll make me associate.

ELLE

And jeopardize your client's trust and our integrity?

EMMETT

Why do you always have to be right?

ELLE

I don't have to be... when I'm with you, I just am.
